The instructions for shareholders voting electronically are as under:

Voting through electronic means;

1. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency.

The instructions for e-voting are as under:

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM/EGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

- (i) The voting period begins on Saturday, 27th November, 2021, 9:00 A.M. and ends on Monday, 29th November, 2021, 05:00 P.M. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of Tuesday, 23rd November, 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants.

Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iii) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

“ANNEXURE-D”**MANAGEMENT DISCUSSION AND ANALYSIS**

Your Board of Directors is pleased to share with you the “Management Discussion and Analysis Report” for the Financial Year ended on 31st March, 21.

OVERALL REVIEW

The Indian textile industry is among the oldest industries in the country dating back several centuries. The industry contributes 7% to the total industry output and 2% to the GDP. It also contributes 12% to export earnings and holds 5% of the global trade in textiles and apparel.

The Indian textiles industry is also the second largest contributor towards employment generation, after agriculture, contributing 10% to the country’s manufacturing, owing to its labor-intensive nature. India also enjoys a comparative advantage in terms of skilled manpower and cost of production relative to major textile producers.

The Indian textile and apparel industry can be broadly divided into two segments – yarn and fiber, and processed fabrics and apparel. The industry is extremely varied, with the hand-spun and hand-woven textiles sectors at one end of the spectrum and the capital intensive sophisticated mills sector at the other end of the spectrum. The decentralized power looms/ hosiery and knitting sector form the largest component of the textiles sector.

The industry is also highly sensitive to the cotton market as over 70% of its output is based on cotton - unlike globally where articles made of man-made fibers account for a larger share.

India is the second largest producer and exporter of textiles after China and fourth largest producer and exporter of apparel after China, Bangladesh and Vietnam. Superior quality makes companies in India a leader in export- almost two-thirds of India’s export of textiles is to US and UK.

India is also a key growth market for the technical textiles sector due to the cost effectiveness, durability and versatility of technical textiles. Technical textile industries major service offerings include thermal protection and blood absorbing materials, seatbelts and adhesive tapes. Healthcare and infrastructure sectors are the major drivers of the technical textile industry.

Increased penetration of organized retail, favorable demographics, and rising income levels are likely to drive demand for textiles.

The onset of year 2020 has witnessed the outbreak of the COVID-19 pandemic, which has shaken almost the entire globe. Besides, the major threat caused to the lives of the people, COVID-19 has gravely disturbed the social, political, administrative, religious and economic status of the entire world. The stock markets around the globe have fallen off a cliff. World Economic Outlook report 2020 states that, ‘The COVID-19 pandemic is inflicting high and rising human costs worldwide, and the necessary protection measures are severely impacting economic activity. As a result of the pandemic, the global economy is projected to contract sharply by –3% in 2020, much worse than during the 2008–09 financial crises’.¹ Moreover, the fiscal resurgence from this grave illness will take at least a year. Hence, the countries around the globe are, at present, facing teething troubles to stabilize their economy.

Among the emerging superpower economies, Republic of India is one of them. India is a country with huge manpower, enormous industrial competitiveness, massive agriculture and agro-based industrial potential, inclusive and quality education, energy competent and has a strong democratic foundation on which it stands. Moreover, positive fundamentals combined with fast-growing markets have made India a striking target for foreign institutional investors. Momentous amounts of capital are flowing from developed world to emerging economies like India. But unfortunately, the COVID-19 pandemic has entered the Indian subcontinent as well. India is the second most populated country in the world, after China. Hence, there is a possibility of rapid spread of the COVID-19 infection to millions of people in the country. In order to break the cycle of infection, Prime Minister Narendra Modi declared a series of lockdowns in the country starting from 25 March 2020. The lockdown resulted in closure of all the businesses and industries, except a few industries that were dealing with the production of essential commodities.

The Indian textile industry is the second largest industry after agriculture in terms of economic input and employment creation. At present, India has great buoyancy to invite outsiders for investment and employment. The COVID-19 pandemic has seriously affected the growth of textile industry. Many textile units have stopped their production. The crisis has pushed the textile entrepreneurs to take tough decisions such as lay-offs, introducing pay cuts, and asking employees to go on unpaid leaves. All these have resulted in entrepreneurs remaining vulnerable to emotional burnout, taking a toll on their physical and mental health. It therefore becomes essential to highlight the problems faced by this sector.

COMPANY REVIEW

The financial year 2020-21 was challenging and company had severe losses due to Covid-19 pandemic. This pandemic has seriously affected the growth of the company, thus affecting the profitability. Further the lower market pricing of yarn and non availability of labour has raised serious concern for the company to run its operations. Therefore, board has decided that company's business operation to be temporary closed. The company's financial position has been severely impacted due to closure of manufacturing operations..

RISK MANAGEMENT

Risk is an inherent part of any business. There are various types of risks that threaten the existence of a Company like Strategic Risk, Business Risk, Finance Risk, Environment Risk, Personnel Risk, Operational Risk, Reputation Risk, Regulatory Risk, Technology Risk, Political Risk, etc. Your Company aims at enhancing and maximizing shareholders value by achieving appropriate trade-off between risk & returns.

INTERNAL CONTROL SYSTEM

The Company has internal control system to ensure that all the activities are monitored and controlled against any misuse or disposition of assets and that all the transactions are authorized, recorded and reported correctly. The Audit Committee of the Board of Directors reviews the adequacy of internal control.

HUMAN RESOURCE MANAGEMENT AND INDUSTRIAL RELATIONS

We believe that our employees are the assets of our organization. We are committed to provide opportunities to our employees to re-skill and up-skill themselves, in the face of rapidly evolving

technology and increasing automation. Your Company is confident that its human capital will effectively contribute to the long-term value enhancement of the organization. The Company continuously nurtures this environment to keep its employees highly motivated, result oriented and adaptable to the changing business scenario.

OUTLOOK

The outlook for the textile industry remains cautious due to subdued demand although margins are expected to benefit from softening raw material prices. We are introducing new products from time to time to cater to consumer need. Further the LS Industries Limited continuously works towards its competitive strength and making customer relationship cordial so that the Company overcomes the competition and remains successful globally. The Company is confident of improving margins.

“ANNEXURE-F”**AUDITORS’ CERTIFICATE ON CORPORATE GOVERNANCE**

To
The Members of
LS Industries Limited
Himachal Pradesh

We have examined the compliance of conditions of Corporate Governance by “LS Industries Limited”, for the year ended 31st March, 2021 as stipulated in Regulations 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27 and clauses (b) to (i) of sub-regulation (2) of Regulation 46 and para C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (collectively referred to as “SEBI (LODR) Regulations, 2015,).

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has not complied the conditions of Corporate Governance as stipulated in the above-mentioned SEBI (LODR) Regulations, 2015, as applicable.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF LS INDUSTRIES LIMITED**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of LS Industries Limited (“the Company”), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the standalone financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. In our opinion, there is no Key Audit Matter to be reported.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit / loss (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

(A) As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2021 and as per our observations we would like to take in record the aforesaid points:
 1. On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
 2. The company has been suspended for listing by Securities and Exchange Board of India under SEBI Act.
 3. The Company has not appointed Key Managerial personnel required under the statutory provisions of Companies Act, 2013 and SEBI. Also we cannot comment upon the composition of the Board and its committees made as per statutory compliance. However, there are not major business operations being carried on in the company during the financial year under review.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

(B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
- ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.

- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

(C) With respect to the matter to be included in the Auditors' Report under section 197(16):

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

Annexure “B” to the Auditors’ Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **LS INDUSTRIES LIMITED** (“the Company”) as on 31 March, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors’ judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of the Management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of change in conditions, or that the degree of compliance with the policies or procedure may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 1 - General information and Significant Accounting Policies**Note 1.1 - General information**

LS INDUSTRIES LIMITED ('The Company') is a limited company incorporated in India, having registered office at Village Barisen, PO -Manjholi, Tehsil- Nalagarh, Solan Himachal Pradesh-174101 and having principal place of business in same place.
The Company's operations and principal activities includes manufacturing and trading business of textiles etc.

Note 1.2 - Statement of compliance

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Companies Act, 2013 ("The Act") and other relevant provisions of the Act, as applicable. The financial statements up to the year ended March 31, 2017 were prepared in accordance with Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 and other relevant provisions of the Act ('Previous GAAP'). These are Company's first Ind AS financial statements. The date of transition to Ind AS is April 1, 2016. Refer note 51 for an explanation of the transition from previous GAAP to Ind AS and the effect on the Company's financial position, financial performance and cash flows.

Note 1.3 - Significant Accounting Policies**I. Basis of preparation and presentation**

The financial statements have been prepared on accrual basis under the historical cost basis except for certain financial instruments which are measured at fair value at the end of each reporting period.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value, such as net realizable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability.

II. Revenue recognition

Sale of goods : - Revenue is recognised when the significant risks and rewards of ownership have been transferred to the customer, which generally coincides when the products are dispatched / shipped, recovery of the consideration is probable, the associated costs can be estimated reliably, there is no continuing management involvement with the goods nor it exercises effective control over the goods and the amount of revenue can be measured reliably. Revenue is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts, cash discounts and volume rebates.

Other income : - Dividend income from investments is recognised when the shareholder's right to receive the payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

Interest income from a financial asset is recognised when it is probable that the economic benefit will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective rate applicable, which is the rate that discounts estimated future cash receipts through the expected life of the financial assets to that asset's net carrying amount on initial recognition.

III. Property, Plant and Equipment

- i. Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any. For this purpose, cost includes deemed cost which represents the carrying value of property, plant and equipment recognised as at 1st April, 2016 measured as per the previous GAAP. Cost is inclusive of inward freight, duties and taxes and incidental expenses related to acquisition or construction. All upgradation / enhancements are charged off as revenue expenditure unless they bring similar significant additional benefits. An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss. Depreciation of these assets commences when the assets are ready for their intended use which is generally on commissioning. Items of property, plant and equipment are depreciated in a manner that amortizes the cost (or other amount substituted for cost) of the assets after commissioning, less its residual value, over their useful lives as specified in Schedule II of the Companies Act, 2013 on a straight line basis. Freehold land is not depreciated.

IV. A. Depreciation / amortisation

- i. The Company is following the straight line method of depreciation in respect of buildings, plant and machinery, office equipment acquired.
- ii. Depreciation on all tangible assets is provided on the basis of estimated useful life and residual value determined by the management based on a technical evaluation considering nature of asset, past experience, estimated usage of the asset etc.
- iii. Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

B. Impairment**(i). Financial assets**

The Company recognizes loss allowances using the expected credit loss for the financial assets which are not measured at fair value through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime expected credit loss.

(ii). Non - financial assets**Tangible and intangible assets**

Property, plant and equipment and intangible assets are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs. If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the statement of profit or loss. The Company review/assess at each reporting date if there is any indication that an asset may be impaired.

V. Foreign Currency Transactions

Transactions in foreign currency are recorded on initial recognition at the exchange rate prevailing at the time of transaction.

Monetary items (i.e. receivables, payables, loans etc.) denominated in foreign currency are reported using the closing exchange rate on each balance sheet date.

The exchange differences arising on the settlement of monetary items or on reporting these items at rates different from rates at which these were initially recorded / reported in previous financial statements are recognised as income / expense in the period in which they arise.

VI. Financial Instruments**Initial recognition**

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of financial asset or financial liabilities, as appropriate, on initial recognition.

Subsequent measurement**Non derivative financial instruments**

(i) Financial assets carried at amortised cost : A financial asset is subsequently measured at amortised cost if it is held in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Financial assets carried at fair value through other comprehensive income (FVTOCI): A financial asset is subsequently measured at FVTOCI if it is held not only for collection of cash flows arising from payments of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in other comprehensive income.

(iii) Investment in subsidiaries and Joint Venture : Investment in subsidiaries and joint venture is carried at cost less impairment, if any, in the separate financial statements.

(iv) Financial assets carried at fair value through profit or loss (FVTPL): A financial asset which is not classified in any of the above categories are subsequently measured at fair value through profit or loss.

(v) Financial liabilities : Financial liabilities are subsequently measured at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

VII. Impairment of investments

The Company reviews its carrying value of long term investments in equity shares of subsidiaries and other companies carried at cost / amortized cost at the end of each reporting period. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.

VIII. Inventories

Finished goods are valued at lower of cost and net realisable value.

Work in progress on works contracts, awaiting billing is valued at proportionate contract value.

The bases of determining costs for various categories of inventories are as follows:-

Raw material and components	- Weighted average
Work in progress and finished goods	- Material cost plus appropriate share of labour and other overheads including excise duty on finished goods
Work in progress at works contracts	- Material cost, direct labour and other direct expenses.

IX. Employee Benefits

The Company has various schemes of employee benefits such as provident fund, superannuation fund, gratuity and leave encashment, which are dealt with as under:

- i. Contributions to provident fund are charged to statement of profit and loss every year.
- ii. Contributions towards Superannuation Scheme of Life Insurance Corporation of India are charged to statement of profit and loss every year.
- iii. Contributions are made towards Gratuity Scheme of Life Insurance Corporation of India. Provision for gratuity is determined using the Projected Unit Credit Method, with actuarial valuations being carried out at each balance sheet date. Re-measurement comprising actuarial gains and losses and return on plan assets (excluding net interest) are recognized in the other comprehensive income for the period in which they occur and is not reclassified to profit or loss.
- iv. Provision for leave encashment (including long term compensated absences) is made based on an actuarial valuation. Actuarial gains and losses are recognized in the statement of profit and loss for the period in which they occur.
- v. Liability on account of short term employee benefits, comprising largely of compensated absences and performance incentives, is recognised on an undiscounted accrual basis during the period when the employee renders service.

X. Contingent liabilities and provisions

Contingent liabilities are disclosed after evaluation of the facts and legal aspects of the matter involved, in line with the provisions of Ind AS 37. The Company records a liability for any claims where a potential loss probable and capable of being estimated and discloses such matters in its financial statements, if material. For potential losses that are considered possible, but not probable, the Company provides disclosures in the financial statements but does not record a liability in its financial statements unless the loss becomes probable.

Provisions are recognised when the Company has a legal / constructive obligation as a result of a past event, for which it is probable that a cash outflow may be required and a reliable estimate can be made of the amount of the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

XI. Earnings per share

Basic earnings / (loss) per share is calculated by dividing the net profit / (loss) for the current year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The number of shares used in computing diluted earnings per share comprises the weighted average share considered for calculating basic earnings / (loss) per share, and also the weighted average number of shares, which would have been issued on the conversion of all dilutive potential equity shares. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The number of equity shares and potentially dilutive equity shares are adjusted for bonus shares as appropriate.

XII. Income taxes

Provision for current taxation is ascertained on the basis of assessable profits computed in accordance with the provisions of the Income-tax Act, 1961.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

Deferred tax is recognised, subject to the consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets are recognised on unabsorbed depreciation and carry forward of losses based on virtual certainty with convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised.

Income tax and deferred tax are measured on the basis of the tax rates and tax laws enacted or substantively enacted at the end of the reporting period and are recognized in profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the income tax and deferred tax are also recognized in other comprehensive income or directly in equity, respectively.

XIII. Use of estimates and judgement

The preparation of the financial statements in conformity with recognition and measurement principles of Ind AS requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which estimates are revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods. The following are the key assumptions concerning the future, and other sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities in future are:

(i) Useful lives and residual value of property, plant and equipment, intangible assets and investment properties : Useful life and residual value are determined by the management based on a technical evaluation considering nature of asset, past experience, estimated usage of the asset, vendor's advice etc and same is reviewed at each financial year end.

(ii) Impairment of investments : The Company has reviewed its carrying value of long term investments in equity/preference shares of subsidiaries and other companies carried at cost/amortized cost at the end of each reporting period. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.

(iii) Deferred tax assets : The Company has reviewed the carrying amount of deferred tax assets including MAT credit at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

(iv) Revenue Recognition : Provision for Sales Returns and Discounts are estimated based on past experience, market conditions and announced schemes.

XIV. Operating Cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.
